

## Polka Dot Pajamas

I woke up early,

early in the morning

Got out of bed,

comfortable bed

Jumped on the pillow,

soft pillow

Stood on my head,

hard head

Took off my pajamas,

polka dot pajamas

Put on my clothes,

beautiful clothes

Brushed my teeth,

nice white teeth

Blew my nose,

tiny little nose

Had my breakfast,

great big breakfast

Fed the cat,

fat cat

Went back to my room,

nice little room

Opened the door,

great big door

Saw my pajamas,

polka dot pajamas

On the floor,

polka dot pajamas

Picked them up,

polka dot pajamas

Put them in a drawer,

polka dot pajamas

Picked up my books,

three or four

Said good-bye to Mama,

And ran out the door
